

Alliance of Automotive Service Providers
of Pennsylvania

AASP partners with Dorman Products to Benefit Members

AASP has partnered with Dorman Products to develop an exclusive offering. As an AASP member, you are eligible to receive the following benefits:

Product Reimbursement

- New to the Aftermarket qualified ideas are eligible for compensation
- If you come across a part not available in the aftermarket (Dealer Only), contact us at the number below. A qualified part if failure prone and exclusively available from the OE Dealer
- Benefits the service dealer and the automotive aftermarket
- Shipping and receiving are handled by Dorman

Service Dealer Guide

- AASP Branded Service Dealer guides
- Inform service dealers about New to the Aftermarket
- Provide options for technicians to use re-engineered money saving kits
- For additional information, visit our website, www.dormanproducts.com or call 800-868-5777, ext. 5329

Dedicated Tech Line

- Toll Free 1-800 number dedicated for AASP members
- 800-868-5777, ext. 5330
- Assist with installation and specifications
- Also can assist with non-Dorman related calls

Try-On Program

- This program ensures quality products and complete kits
- We offer new parts and pay for all the labor associated with installation
- Great way to become more involved with our R&D team

“Dorman has always taken the time to listen to us when developing their product line. The result is a quality part with everything needed to complete the job.”

-Dave Duchesne
Warren's Auto Center
Monroe, LA

“Dorman has provided our shop with many money saving solutions at a fraction of what the dealer would charge.”

-Dan Dempster
Dempster's Quality
Auto Care
Hatboro, PA

For more information on this program, please call Lester Kovacs (800) 868-5777, ext. 5329
