Benefit**

AASP-PA proudly announces a new partnership with The Hertz Corporation to bring members a new revenue-generating benefit. AASP-PA members can receive a monthly rebate check for each customer referred to Hertz and the greater the number of referrals, the bigger the check!

Hertz is also seeking members with an interest in opening a local Hertz Office at the shop to better fulfill customer needs.

Contact your Hertz representative (listed below) today to get setup on the AASP-PA Hertz Rental Referral Program that says thank you by making a deposit in your bank account every month.
